AGENDA

Full Council

19 July 2018

Agenda

1. To accept representations from the Public between 7.00 pm and 7.15 pm.

A period of up to 15 minutes is allowed for any representations or statements from members of the public. This period can be extended at the discretion of the Chairman. Normally, each member of the public should be allowed to speak for no more than five minutes. Council Members may ask questions to clarify any points raised, but no resolutions can be made, nor decisions taken, during this item. Members of the public should be reminded that they may remain in attendance during the rest of the meeting (except for confidential items) but they may not take part in any subsequent discussions. A record should be taken of those members of the public speaking.

2. To accept apologies for absence.

Members are reminded that it is their individual responsibility to ensure that any apologies for absence are received by the Council before the start of the meeting. Apologies may be given in advance in writing, by telephone or by email to the office (during office hours). Late apologies (outside of office hours) on the date of the meeting can be sent by telephone or text to the senior Officer in attendance. Contact details are shown at the bottom of this agenda. A valid reason for absence must be stated and recorded in the minutes – and each absence must be approved by an affirmative resolution of those Members present.

3. To record declarations of pecuniary and non-pecuniary interests in items on the agenda.

It is the responsibility of each Member, individually, to declare any pecuniary or non-pecuniary interests. This should be done during this item or as soon as possible should an interest become apparent during the course of the meeting. The declaration will be recorded in the minutes. Members are reminded that a pecuniary interest arises only if the Member concerned (or their partner) has a personal financial interest in the matter being considered. Declarations need not be made for any item relating to the setting of the Council's precept. In the case of any doubt, Members are requested to seek guidance from the Chief Officer ahead of the meeting.

4. To consider the recommendations of the Chief Officer relating to requests for dispensations to Members on items requiring a declaration of pecuniary and non-pecuniary interests.

The Chief Officer (or Senior Officer in attendance) will inform Members of any valid requests received and will make a recommendation to Members as to whether the request should be approved. Requests must be submitted in advance of the meeting, to the Chief Officer, on the official request form. Full details are available from the office. Requests for dispensations cannot be made at the meeting itself.

5. To approve the minutes from the Full Council meetings held on 17 May and 28 July 2018.

6. To report and receive information arising from the minutes of items not on the agenda from members and the Chief Officer.

This item provides the opportunity for Members to receive an update on matters discussed at previous meetings, where that item does not appear on the agenda. New items cannot be introduced during this item and no resolutions can be made, nor decisions taken, during this item.

7. To receive and consider minutes, recommendations and reports of the Environment & Planning Committee.
8. To receive and consider minutes, recommendations and reports of the Public Services Committee.
9. To receive and consider minutes, recommendations and reports of the Finance and Policy Committee.
10. To receive and consider minutes, recommendations and reports of the Audit and Scrutiny Committee.
11. To receive a report of the Mayoral Engagements for May until July 2018 (Report attached)
12. To consider, in principle, whether the Council should look to work towards the creation of a 'Neighbourhood Plan' (Report attached)
13. To consider whether Council email addresses should be created and utilised for all Members of the Council (Report attached)
14. Questions for the Leader of the Council.

Any questions should be submitted to the office by 5pm Wednesday 18 July 2018.

15. To receive notification of matters that members would like including on a future agenda.

Members may utilise this item to introduce any matter for inclusion on a future agenda of the Council or its committees. Although Members may discuss any matter during this item, the only resolution permissible is to include the matter on a future agenda. No decisions may be made. This item does not preclude any Member from requesting an item to be added between meetings. Any such requests should be made in writing to the Chief Officer.
